

IQM 35TH ANNIVERSARY YEARBOOK

CALL FOR HIGH-RESOLUTION HISTORICAL PHOTOS

In conjunction with the Institute of Quarrying Malaysia's (IQM) **35th Anniversary**, we are in the process of compiling a special commemorative yearbook to celebrate the milestones and evolution of the quarrying industry in Malaysia.

This landmark publication will be officially launched during the IQM Conex 2025 event, scheduled to take place from 14–15 October 2025.

As part of this initiative, we would like to include a visual showcasing how quarrying was carried out in the past. We are reaching out to all quarry companies to **share any old photos** (preferably in **high resolution**) that illustrate quarrying operations, equipment, practices, or significant moments from earlier years.

Your contributions will help us preserve and highlight the rich history of our industry for future generations.

Kindly email the photos, along with a brief caption or description (if available), to nirmala@iqm.com.my **by 31 July 2025**.

We truly appreciate your support and look forward to your valuable contributions.
